Dear Members and Friends of Denton Church of the Nazarene,

On Sunday, March 1<sup>st</sup>, the congregation voted by an overwhelming 98% majority to extend an invitation for Pastor Dan & Patience West to become Denton Church of the Nazarene's next Lead Pastor.

Yesterday I received the following response from Pastor Dan West.

*Dr. Bowser, We are very excited about the opportunity to become the Pastoral family at Denton! We humbly accept the generous vote, and I desire to become the Pastor of Denton Church of the Nazarene. Pastor Dan West*

There are many details to finalize as we anticipate Pastor Dan West's start date. I will provide additional information regarding the start date, transition plans and date for an installation service after consulting with the Church Board.

Thank you for your patience, prayers and persistence as we have awaited God's direction.

Please be in prayer for Pastor Dan West and his family as they come to join the Denton Church of the Nazarene Family.

Grace and Peace!
