EASY MOTHER'S DAY FLOWER CUPCAKES

Here is a recipe from the Rediscovered Family Recipes, from Pinterest for an easy special treat the kids can make for Mom on Mother's Day. Kids can choose to use a box cake mix and a can of frosting purchased from the store or prepare cupcakes and frosting from scratch. Either way the kids will have fun decorating the cupcakes for Mom to enjoy.

¾ cup White Sugar	½ cup Milk
½ cup unsalted Butter, softened	12 pretty Paper Cup Cake Liners
1 large Egg	1/3 cup Butter
1 ¼ teaspoon Vanilla Extract	4 ¼ cups sifted Confectioners' Sugar
1 teaspoon Baking Powder	¼ cup Milk
½ teaspoon Baking Soda	1 teaspoon Vanilla Extract
¼ teaspoon Salt	Pink or Yellow Candy Melts
1 cup all-purpose Flour	M & M Easter Colors or Jellybeans

Pre heat oven to 350 degrees. Line cupcake pan with 12 paper cupcake liners.

With electric mixer, beat the ¾ cup sugar and ½ cup butter until light and fluffy.

Slowly add egg and 1 ¼ teaspoon Vanilla Extract to mixture.

In a small bowl combine baking powder, baking soda, and salt.

Now add 1 cup flour, ½ milk to small bowl with salt, baking powder and soda, mix.

Combine egg mixture and bowl mixture slowly. Stir just till combined. Pour batter into cupcake liners and bake until tops turn golden, 18 minutes.

Cool for 10 minutes in pan and remove from pan and cool completely on wire rack.

FROSTING: Beat butter with electric mixer until it looks fluffy. Add 2 cups of powdered sugar and beat well.

Add ¼ cup milk and 1 teaspoon vanilla extract, mix well. Add remaining sugar slowly. If frosting is too thick add a little more milk.

You can add food coloring for fun if you want. You can frost cupcakes now, smooth them out with a knife.

Place a pink or yellow candy melt in middle of each cupcake, place M&Ms or jellybeans around the candy melt to create the petals.

HAPPY MOTHER'S DAY
