5. **All decisions of SRI and the Event Committee are final.** Committee reserves the right to deny any application.
6. **No refunds for no-shows or cancellations.**
7. **This event is held rain or shine.** Please prepare accordingly. This is an outside festival, bring supplies as needed according to the weekend's weather.
8. **Vendors are responsible for all state sales tax laws.** Failure to comply will prohibit you from exhibiting at future events.
9. **Arrival Time** – arrival times will be assigned based on your set up and the location decided on by the Committee. You will be contacted the Monday before the event with this information. There is a 10 minute

time limit on unloading your vehicle. You are to unload into a safe space, move your vehicle immediately and return to the festival grounds to set up. Vendors must be ready to serve customers at the specified start time of the festival.

10. **Vehicle movement within vendor area.** Vehicles must be removed from the event one hour before starting time and must remain out of the event area until ending time AND all pedestrian traffic has cleared. This is strictly for the safety of our guests – we cannot have cars, trucks and trailers loading up and driving around when pedestrians are present.
11. **Alcoholic beverages are prohibited except in designated areas.**
12. **Vendors must supply their own** tent, table and chairs, water hoses, and extension cords. We suggest you bring at least 100ft.
13. **Vendors are responsible for cleaning up** around their space during and at the end of the festival. Trash is to be put in the proper receptacles. Over-sized trash must be taken off premises and disposed of by the vendor.
14. **Use of your own low decibel (<70 decibels) generator** is encouraged and **REQUIRED** if you need more than **ONE (1) 120-volt outlet or 20 amps**. Please do not overload the electrical outlets, only one appliance per plug. Multiple cords and power strips are forbidden. Overloaded circuits can lead to prohibition of electric use on the day of the event. Vendors with excessively loud generators will be placed on the perimeter of the festival in order to control noise.
