Cancer Awareness
Comes in All Colors

**ALL COLORS
ALL CANCERS**

Images of Hope sponsors Pink in the Night locally during October in support of national Breast Cancer Awareness Month. Along with providing nearly 8,000 pink lights to merchants, storefronts, and businesses throughout El Dorado County, Images of Hope works to raise awareness of all cancers, early screenings, and support for cancer patients and their families. Old Town Grill (John Sanders) will be helping us raise funds in October via his *Dinner for a Cause*.

Images of Hope's core goal is to provide healing arts including art therapy, equine and canine therapy, yoga, and movement sessions free of charge to anyone affected by cancer year-round. Images of Hope is supported by donations from individuals like you.
