

To the Stars A Night for Children Gala

Protecting our most precious

Ad Astra Advocacy Center is a 501(c)(3) nonprofit organization.

At Ad Astra Advocacy Center, we believe every child deserves to feel safe, supported, and heard. Our Second Annual **To the Stars: A Night for Children Gala** is more than a fundraiser—it's an evening dedicated to bringing our community together in support of children and families impacted by abuse and trauma.

Guests will enjoy an unforgettable night of dinner, entertainment, auctions, and celebration while helping ensure that children in our community continue to receive compassionate advocacy, forensic interviews, mental health referrals, and coordinated services when they need them most.

Your sponsorship is an investment in both this special event and the children we serve. Every dollar raised helps Ad Astra Advocacy Center provide a safe, welcoming place where children can begin their healing journey and families can access the support they deserve.

Together, we can make this an incredible evening while creating lasting hope for children throughout our community.

We hope you will help sponsor our event!

To Our Supporters

On behalf of everyone at Ad Astra Advocacy Center, thank you for considering a sponsorship of our Second Annual To the Stars: A Night for Children Gala.

Your generosity is more than a contribution to an event—it is an investment in the safety, healing, and hope of children and families in our community. Because of supporters like you, children who have experienced abuse can receive compassionate advocacy, forensic interviews, coordinated services, and the support they need to begin healing.

As a nonprofit organization, we rely on the kindness of community members and local businesses who believe every child deserves to be heard, protected, and surrounded by people who care. Your support allows us to continue providing these critical services while expanding access for families across our region.

We are truly grateful for your partnership and your commitment to making our community a safer place for children. Thank you for standing with us and helping ensure that every child who walks through our doors is met with compassion, dignity, and hope.

Together, we are making a lasting difference.

*With Gratitude,
Skylor Yeager
