

## Donor Giving Societies and Honor Roll of Donors

### The 1885 Society: The Green Dragon Foundation's Legacy Society

#### What kind of legacy will you leave?

The 1885 Society recognizes individuals and families who have remembered The Green Dragon Foundation (GDF) in their estate plans through documented planned gifts, including: bequests, life insurance, charitable gift annuities, charitable trusts and other testamentary gifts.

#### How can you become a member?

If you have already made a planned gift or have included GDF in your will, you are already eligible for membership in The 1885 Society. If not, you may become a member simply by notifying us that you have named GDF as a beneficiary in your will or estate plan.

To explore the benefits of a planned gift, please contact The Green Dragon Foundation at (570) 522-8433 or by email at [info@greendragonfoundation.org](mailto:info@greendragonfoundation.org).

#### 1885 Society Members

Mr. Richard L. Bingaman • Mr. Pat Collins (deceased) • Karen A. Nicholson

The Green Dragon Foundation established giving level societies to recognize the dedication and commitment of its donors. We are very grateful for the financial support of the contributors, listed on the next several pages, who have made **annual pledge payments and donations (including in-kind) between July 1, 2015 through June 30, 2016**. In parentheses are the years of consecutive giving.

 Mr. & Mrs. Thomas F. Zorn (3)

## Why We Give

### Joe and Lisa Tranquillo

Joe and Lisa Tranquillo made their first donation to The Green Dragon Foundation in 2012 and have been faithful supporters ever since. Joe, an associate professor of biomedical and electrical engineering at Bucknell University, and Lisa, a former high school history teacher, feel it's important to help teachers feel supported.

"As educators, we know how much it means to teachers to have the financial support to pursue activities that may complement or supplement their curriculum," they said. **"It's important for our teachers to feel supported by their community and The Green Dragon Foundation helps to make this possible."**

With two children in the district, Laura age 10 and Paul age 8, the Tranquillos believe giving to GDF is a great way to create opportunities for their children. "As parents, we want our children to have access to a variety of opportunities in their educational career," they added. "To help achieve this, they need to have access to the best resources available. GDF helps to make this possible. We are blessed to live in a town with an amazing school district. That being said, we believe that by donating to GDF we can help make opportunities for our students that they would not otherwise have."

**"Donating to GDF is another way to support our teachers, staff and our students in creating state-of-the-art educational opportunities—whether it be the new high school, supplementing the arts and performing arts programs or providing up-to-date technology for the classroom. The Green Dragon Foundation works with the school district behind the scenes to make so many of these initiatives possible."**

**– Joe and Lisa Tranquillo**

## A Student's Perspective

## Tenaja Henson '16

by Casey G. Miller

Through the generosity of its donors, The Green Dragon Foundation (GDF) has been an annual supporter of the performing arts at Lewisburg Area High School (LAHS). GDF met with recent graduate Tenaja Henson to learn how theater arts has impacted her educational experience at Lewisburg.

As the star of this year's spring musical, *Into the Woods*, Tenaja Henson left many people in awe of her performance as The Witch. Even more spellbinding than Tenaja's voice is the joy depicted on her smiling face—an illustration of her love for life.

The gifted and hard-working graduate says music has played a very important role in her life. "Music is the one thing that has kept me going and allowed me to express myself in a variety of different ways," she said.

Although Tenaja loves to sing, one of her favorite parts of being involved in theater arts is the friendships and memories she formed over the last four years. "Musical season is hard work and can at times be tiring," she added. **"I have so many good memories from shows because we spend so much time together. We become close, like a family."**

Tenaja's high school music and theater resumé also includes Mrs. Beaver in the *Chronicles of Narnia*, Humpty Dumpty in *Shrek*, Betty Blast in *Footloose* and student-director of *The Crucible*. She also is in the choir and plays the violin in school orchestra. Tenaja has been a member of the lacrosse and track & field teams, works part-time, is a member of the LAHS Diversity Club, and is involved in her Quaker community.

In July, Tenaja departed for Bolivia, where she will spend the next six months teaching at a Quaker elementary school and working as a nanny for two children. In the spring, she will begin her college adventure at Guilford College, in Greensboro, NC, where she will major in either sociology or political science while she continues her pursuit of music.

**"Lewisburg is a good school for music and education. I felt very supported by the community and the school, and was lucky to end up here,"** she concluded.

## Bill and Suzanne Stackhouse

After dedicating a combined 67 years teaching Lewisburg students, Bill and Suzanne Stackhouse retired and began serving Lewisburg students in a new way. In January 2015, Bill contacted the foundation and inquired about volunteer opportunities.

These are just some of the ways this couple is committed to Lewisburg. They have been generous supporters of GDF for years and graduated from LAHS in 1969. While Suzanne didn't officially graduate from LAHS (she transferred to State College High in her senior year), she proudly considers herself a member of the Class of 1969 and they gladly welcome her!

In 1978, Bill began his teaching career at Lewisburg as a middle school health and physical education teacher; in November 1979 Suzanne came to Lewisburg as the middle school librarian.

Bill volunteers in a number of ways: most visible is communicating the ways in which the foundation has provided enhanced opportunities for Lewisburg students. He regularly writes articles for newsletters, annual reports and e-mail postings. "Volunteering for GDF provides me an opportunity to keep in touch with Lewisburg schools and students," said Bill. He is willing to help in a variety of ways and also prepares mail appeals and serves on the Strategic Initiatives board committee. He credits Suzanne with putting the final editing touches on his articles.

The Stackhouses have a long history in Lewisburg: Bill's father Bob graduated from LAHS in 1945 and grandfather, George, in 1921; his aunt, Jennie Erdley, and brother Bob were both English teachers for the district.

Suzanne's mantra is "be true to your school" and the couple has shown it by dedicating their careers, their volunteer efforts and their financial support to enriching the educational opportunities available to Lewisburg students. "We think The Green Dragon Foundation is an awesome organization," they concluded. "We see how highly regarded education is in our community and, as educators, we want to support it."

**The Green Dragon Foundation is fortunate to have generous supporters and volunteers like the Stackhouses!**
