

THE GREEN DRAGON  
FOUNDATION

Unique Community • Unlimited Opportunity

**Funding Request Form** (revised January 2021)

The Green Dragon Foundation (GDF) accepts requests for funding throughout the year. Funding decisions will be made by GDF's Board of Directors at least quarterly and will be communicated to you.

LASD teachers, staff, and administrators may request funding for innovative programs/initiatives that will enhance or enrich LASD students' educational experience. Funding from GDF should be for items, equipment, or experiences that meet this purpose but would not be possible through regular LASD budget/funding. GDF strives to fund opportunities that go beyond what the district can provide through its normal funding stream.
