Update on COVID-19 Vaccine

29,850 total 1st doses of COVID-19 vaccine received by Frederick County Health Department to date.
2,700 1st doses of COVID-19 vaccine received by Frederick County Health Department this week.

Currently Eligible in Maryland and Frederick County

Tuesday, April 6, all Marylanders 16 and older are eligible to get vaccinated at mass vaccination sites.

By next **Monday, April 12**, all Marylanders 16 and older will be eligible to schedule appointments and get vaccinated through all providers.

A no-appointment walk-up line is available at the Hagerstown Premium Outlets site starting Tuesday, April 6. Marylanders should be aware that the process for the no-appointment lines will take longer, and there is no guarantee of receiving a vaccine.

Individuals Age 16 and 17 should only be signed up for vaccination clinics that are providing the Pfizer-BioNTech vaccine, which is the only one currently authorized by the FDA for ages 16 and older. If you are looking for Pfizer vaccine, please check <https://vaccinefinder.org/>. **Please note that the health department primarily has Moderna vaccine, which is approved for people 18 years and older.**

**BEGINNING
