

KM ELECTRICAL, HEATING & A/C, INC.

Kent Moore, President

“KM Electrical, Heating & A/C, Inc. is proud to support Iredell-Statesville Schools. I have been doing electrical and HVAC since 1986. HVAC stands for Heating Ventilation Air Conditioning. My company may have installed a new electrical panel or air conditioning system in the home of one of your family members. In the future we may install a new heat pump in your house!”
