MITCHELL COMMUNITY COLLEGE

For over 160 years, Mitchell has provided education and training opportunities for Iredell County. With classes in Statesville, Mooresville, North Iredell, and online, you can build a strong foundation for your future while staying close to home. Explore new frontiers in hands-on lab classrooms, gaining knowledge and skills you can apply to every aspect of life, all while saving thousands of dollars compared to other institutions. Whether you have two months or two years, Mitchell has a path for you!
