

Hello! My name is Erin Cook and I am applying for the Oak Harbor Main Street Association board position.

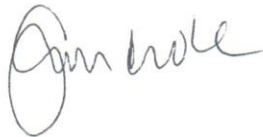

I have lived in Oak Harbor for over forty years and absolutely love this place. My husband and I own Cook Wealth Management on Pioneer Way. While I don't work in the office as a Financial Advisor (I am retired), I did work in the community for years as a Mortgage Loan Officer for Banner Bank and an Limited Practice Officer for Chicago Title.

I was forced into retirement due to a cancer diagnosis but my life is very full and I can't imagine how I had time to work!! Up until very recently I was the bookkeeper for the business which kept me busy and didn't allow time for volunteer work.

My kids are grown, I don't have grandkids yet so now is the perfect time for this type of opportunity.

Thank you for your time and consideration,

Erin
