

Major Employers & Industries Snapshot

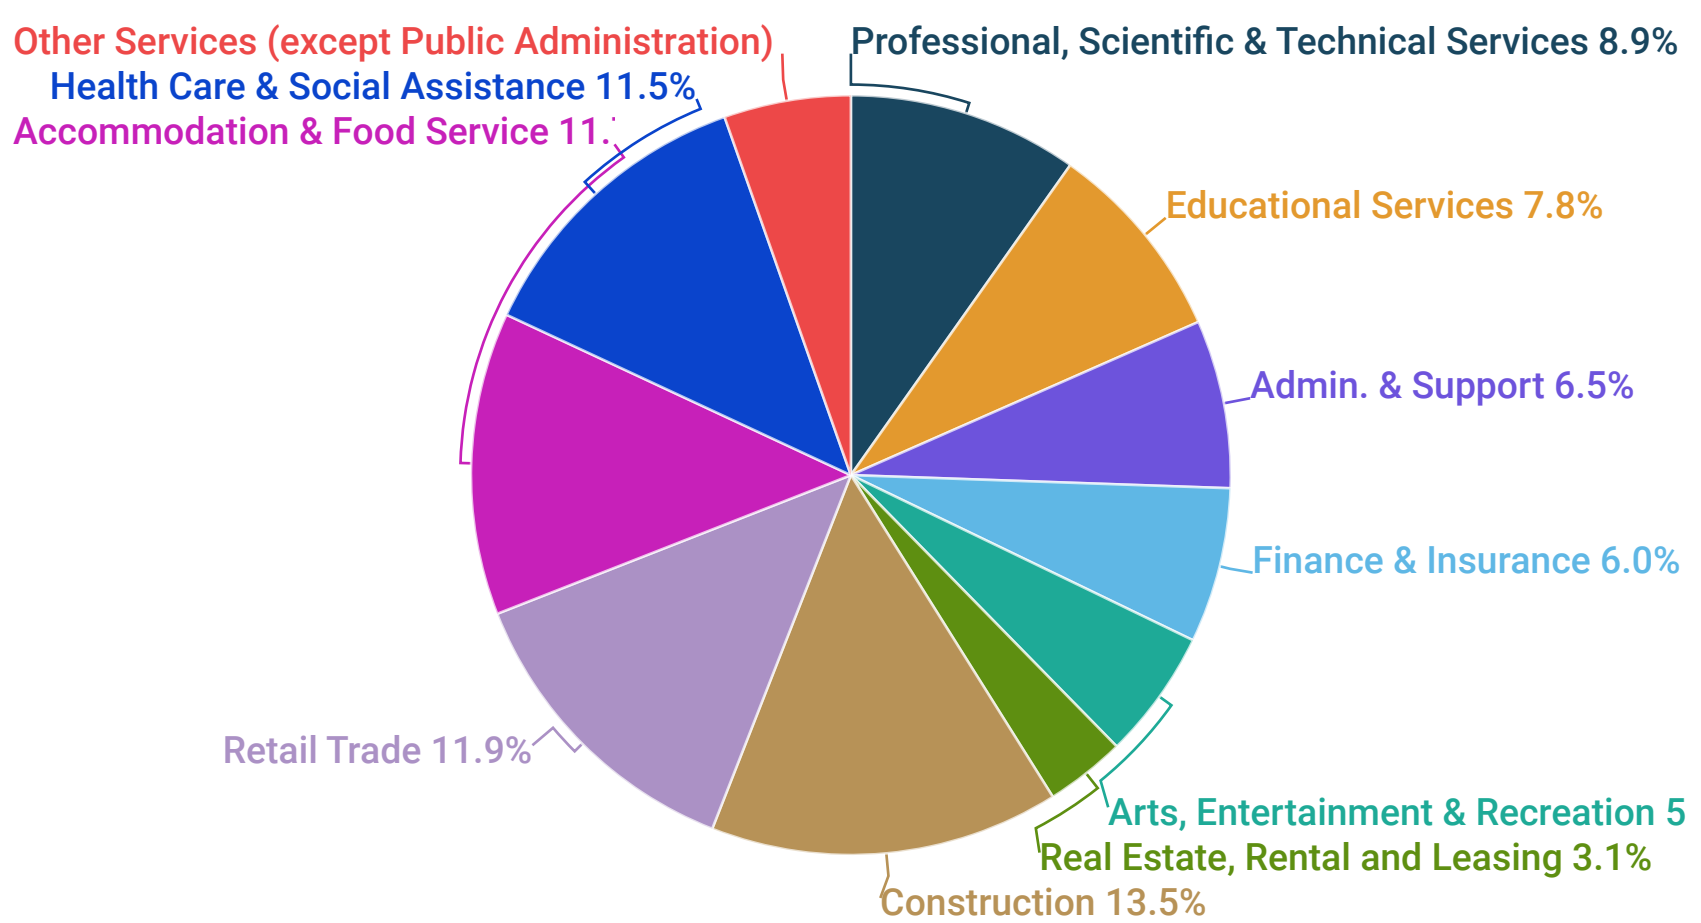

Eagle is home to a diverse set of industry sectors - from corporate headquarters, technology companies, light manufacturing, healthcare, retail trade, financial services, and many other professional, scientific and technical services. Eagle's quality of life, central location, and excellent transportation network makes recruiting and retaining top talent simple. The excellent transportation network provides easy access to reach customers, suppliers, and offices throughout the country and the world.

Simultaneously, Eagle offers a well-known and successful entrepreneurial culture that is evident by its home-grown business success stories, like TSheets (now Intuit), Hydrus Board Tech, and PetIQ. And, with the highly educated workforce and welcoming business environment, it doesn't get much better than Eagle, Idaho.

Learn more about our [workforce](#), [quality of life](#), and [location advantages](#), and you'll see why business and industry are happening here in Eagle.
