

We're participating in Manchester's bicentennial. The Manchester Women's Club is celebrating with a Scavenger Hunt Fundraiser to support the work we do in town.

- We've hidden treasures in businesses and services around town.
- Between June 3rd and 10th, solve the clues to identify local businesses and services.
- Go to the location and snap a selfie with the treasure.
- Send your selfies, along with your contact info, to **mwchunt@outlook.com**
- The entries with 10 or more correct images will be entered into a drawing for 1 of 3 prizes
- That's it. Let's have fun!
