LAHS "Field of Dreams" a Reality

The groundbreaking for the Brandon Kramm Memorial Field was held on June 8th 2019 with the hope that the field, located to the south of the turf soccer/lacrosse field, will be ready for play in the spring of 2020.

While in high school Brandon Kramm '01 was an excellent student and a great athlete in football, basketball and baseball. He served as catcher each year as the baseball team qualified for districts. He went on to study at Harvard, where he met many lifelong friends who have supported his family in raising funds through the Green Dragon Foundation to build the field and for the endowment to provide exceptional athletic programs and facilities.

In 2002 Brandon was diagnosed with Crohn's disease and a rare liver disorder. He passed away in May of 2013, two months after his second liver transplant. In 2014 the Kramm family began to work with Ann Glock, executive director of the Green Dragon Foundation, to form the Brandon Kramm Memorial Endowment. In 2016 the idea to build the baseball field using the endowment funds was borne. The fundraising goal of \$400,000 was met by June 2018 through golf and auction events. Lewisburg student athletes will benefit for years to come.

A reception for those attending the groundbreaking was held in the Heritage Room following the groundbreaking ceremony.

Please Note:

*Moving? Or have you moved? Changed your email address? Please let us know! Contact us at lhs.alumni@hotmail.com.

* Having a reunion next year? Would the classes of the 0's and 5's (i.e.1980/1985) let us know the date and the contact person so we can post it on our website? Anyone planning an in-between reunion can let us know as well.

* The newsletter committee is looking for interesting articles for our next newsletter. Can you help us? We are looking for a feature on a faculty member, a fun story from your high school days, a reflection from the past, etc. Please submit to our email address lhs.alumni@hotmail.com.

Alumni As A Valuable Career Resource

Dr. Brenda Zack, K12 Career Counselor for the Lewisburg Area School District, provides opportunities for Alumni to interact with high school students concerning career exploration. This spring (2018) there was a pilot mock interview program in two senior English classes. To make the interview process authentic, local business people, alumni, administrators and others presented sample questions. Dr. Zack will be looking for additional volunteers next May at a time to be determined.

Another program that has been in place for several years is the Guest Career Speaker Program. About once a month someone is scheduled to speak to classes at the high school or the middle school about a particular career. She will assign the month and the specific date and time that is mutually beneficial to everyone. Other ways you can participate is by acting as a career mentor, providing an internship experience for

a student, allow a student to job shadow you or conducting a business/industry tour for students.

If you are willing to volunteer in any of these areas by sharing your work experiences, your career path or related careers or offer advice to interested students, please contact Dr. Zack at Zack_b@lasd.us.

Election Day Spaghetti Dinner

Treat yourself after voting on **November 5th** to a delicious Spaghetti Dinner at the Donald H. Eichhorn Middle School from 5:00-7:00 pm. Cost is \$7 for adults, \$4 for students ages 5-12 and free under 5. Proceeds will be used for Alumni projects. Take-outs are available! VOLUNTEERS are always welcomed!!!!

2019 Distinguished Alumni Award Winners

Michael Derk '84, Mark Jenks '78, Karen Heim Teichman '71 and Patsy Jarrett Warren '59 will receive their 2019 Distinguished Alumni Awards at the Alumni Weekend Cocktail Reception on Saturday, October 19. The 5:00-7:00 event will be held in the Baylor Room at the Best Western Plus Country Cupboard Inn.

Michael Derk is the Owner/President of Creative Landscapes Inc., a landscape design, build, maintenance company with 46 employees that serves Central Pa. He graduated from Shippensburg University in 1988. Mike is an Aquascapes Designs top 40 national pond builder and is a certified landscape professional. He is very active in the Cornerstone Christian Fellowship Church as a choir member, Sunday School teacher and past Chairman of the Board. He has helped with many community projects and services for the Public Library for Union County, Buffalo Valley Lutheran Village, Evangelical Community Hospital, Riverwoods and many others. He is a long-time member of the Mount Bethany Gun Club and served as its President for over a decade. Professionally he is a member of the PA Landscape and Nursery Association and the Greater Susquehanna Valley Chamber of Commerce. He and his wife Stacy live in Mifflinburg and have 2 sons - Seth and Brad. In his statement to the Alumni Board he says: "I credit my personal success to the many mentors and leaders that have taught me how to do things the 'right' way."

Following his graduation in 1978, **Mark Jenks** received his BS (1982) and MS (1983) in Aerospace Engineering from Rensselaer Polytechnic Institute, an MS (1991) in Materials Science and Engineering from Massachusetts Institute of Technology and an MS (1991) in Management from MIT Sloan School of Management. He has worked for Boeing for over 35 years starting as an aerodynamics research engineer at Boeing's helicopter division in Philadelphia, then to Huntsville, Alabama to work on the International Space Station as Program Manager for the joint US/Russian Airlock, working his way to the position of Chief Engineer for the US elements of the Space Station. In 2001 he moved to Boeing's Commercial Airplanes division in Seattle, Washington as Technology Director for the development of Boeing's 787 Dreamliner, particularly the 787's wing – the first large commercial aircraft wing made from carbon fiber composites. He is now Vice President/General Manager responsible for all 787 production, managing what is widely considered the largest and most complex production system in the history of commercial aviation. Among the honors Mark has received are the Georgia Tech's 2006 Harold Gegenheimer Innovation Award, the IEEE Spectrum 2006 Winning Technologies Award, and the 2012 Collier trophy with the executive team in behalf of the 787 program. He has authored numerous technical papers and has been an invited speaker at numerous international conferences. Mark is active in a number of professional societies and with his wife Sue is involved in local Seattle non-profit organizations, including the Pacific Science Center and the King County library system, as well as supports a variety of charitable projects in impoverished regions of Africa and India. They have 3 children and live in Kirkland, Washington.

Karen Heim Teichman attended Williamsport Area Community College, Howard College and the University of Maryland to study business and accounting following her high school graduation. After 20 years of managing and consulting other medical practices, she is now the practice manager and corporate secretary of Central Penn Women's Health Care. Since 1994 Karen has been an active Rotarian, first with the Downtown Lewisburg Rotary Club then as founder of the Sunset Rotary Club in 2007 where she served locally, nationally and internationally as a Board Member, Vice President and President. In addition Karen served as Assistant to and as 7370-Central Pa. District Governor; a member of the Rotary District 7370 Ambassadorial Scholar Committee; Membership Coordinator of the Northeastern US Rotary Zone 32; Founder, Coordinator and Facilitator Rotary Zone 28/29 Emerging Leaders educational program for Rotary's potential future leaders from Central Pa. to Nebraska's Rotary

region, 28 Districts; Rotary District 7360 Public Relations/Public Image Chair; Rotary International Zone 29 (State of Pa.) Assistant Regional Rotary Foundation Coordinator and Endowment/Major Gifts Advisor; and Rotary Membership and Public Image Keynote Speaker in the US, Canada and England. As her two daughters were growing up she served as a Brownie leader and Girl Scout volunteer, band parent and tennis and cheerleading supporter. Karen has served on the Boards of Hunger Plus, Inc., SVWIT, Big Brothers and Big Sisters of Central PA, Healthy Women at the Sunbury Community Hospital and as Sisterhood President at Congregation Beth-El. She and her husband, Fred, live in Lewisburg.

Following her high school graduation **Patsy Jarrett Warren** attended Maryland Medical Secretarial School. In 1976 she began working with her husband, owner of the Sunbury Sewing Center and Warren's Sew-Vac Center, selling sewing machines and vacuum cleaners and giving sewing lessons. Pat is best known in our community for her leadership as the Central Susquehanna Valley coordinator for Project Linus. This group provides handmade comfort quilts to sick, hurting and traumatized children. They collect, inspect, tag and distribute blankets to children at Geisinger's Janet Weis Center, Evangelical Community Hospital, UPMC Williamsport, Lock Haven and Jersey Shore Hospitals, as well as to the Children and Youth Departments in Northumberland and Snyder Counties. The second mission of this group is to provide a meaningful service project to members of the community, including seniors, church groups, Girl Scout troops, and the home bound and cell bound. Since 2000, they have delivered 22,000 blankets to children in the local area. Pat has received the Rotary Centennial Vocational Service Award from the Lewisburg Downtown Rotary Club, the Daughters of American Revolution Excellence in Community Service Award and a Certification of Appreciation for Dedication and Exemplary Service on Behalf of Abused and Neglected Children from the PA Court Appointed Special Advocates for Children. She is active at Faith Lutheran Church where she has served as a Sunday School teacher for 20+ years and as a Church Council member for 3 terms. She and her husband, Richard, live in Mifflinburg and have 2 children.

A Tribute to Mrs. Jennie Erdley

In our 2018 newsletter we requested copies of student newspapers and **Sherry Brouse Batman '70** donated a copy of the May 24, 1967 edition of the **Dragon Hi-Lites**. On the front cover was a picture of Mrs. Erdley with a well-written (author unknown) tribute to her upon her retirement. Since many of the students of the 40s, 50s and 60s were influenced by her strict, no-nonsense, interesting English classes, we present the article as found in this edition of the official student newspaper...

*In this issue, the **Dragon Hi-Lites** wishes to pay tribute to Mrs. Jennie Erdley, a sophomore English teacher at Lewisburg High School. After thirty years of teaching, Mrs. Erdley will retire at the end of this school year.*

During her years at Lewisburg High School, Mrs. Erdley has taught freshman, sophomore and junior English classes. Prior to her coming to Lewisburg, she taught French and Latin, as well as junior and senior English, at Westfield, Pa. Mrs. Erdley's preference, however, has been sophomore English, because she enjoys working with the literature and grammar offered in the tenth grade.

Many alumni will remember Mrs. Erdley as their class advisor. In

recent years she has served as advisor for the Masque. Mrs. Erdley has also assisted with senior class plays, May Day programs, and innumerable teas. As chairman of the English department, she inaugurated the annual Book Fair and has sponsored trips to Susquehanna University where English students enjoyed Shakespearean productions.

Mrs. Erdley is a graduate of Lewisburg High School (1919) and Bucknell University. She says that she has never regretted her decision to become a teacher because she enjoys working with young people.

On July 8, Mrs. Erdley will leave for Paris, France. Here, she will visit points of interest and then travel to England where she expects to visit the birthplace of Shakespeare and attend a Shakespearean production. She also expects to attend services at Westminster Abbey and the Guard's Chapel. After sight-seeing in London, Mrs. Erdley wishes to visit the Lake Country and places of interest in Scotland. On July 26, she will return to the States.

All of us who have been assigned to Mrs. Erdley's English classes appreciate the dedication of this woman who has inspired so many students throughout her years of teaching at Lewisburg High School.

ALUMNI WEEKEND 2019

In our efforts to renew friendships, share memorabilia and foster pride in our school district, the LAHS Alumni Association and The Green Dragon Foundation are working together to bring Green Dragon alumni, family and friends back to Lewisburg for our Alumni Weekend festivities. Mark your calendars for October 18-20, 2019.

Many of the activities are the same as previous years. Last year's crowd favorite, the "The Fire Breathing Dragon Tailgate" prior to the football game, will again be held in the practice fields off the parking lot on the north side of Bucknell stadium. Although tables and chairs will be available, you are always welcome (and encouraged!) to bring a lawn chairs to form your own gathering space. Also back by popular demand are the post-game celebrations at the Towne Tavern's Shanty and at the Bull Run Tap House, tours of the new High School, an historic walk through Lewisburg, wine tasting at Fero Vineyards, a cocktail reception to honor our Distinguished Alumni and more! New this

year is the all-class reunion at the Lewisburg Hotel on Saturday evening from 8:00-11:00 complete with music by **Jake Ziegler '13** and The Locals (limited to 150 registered guests).

We are pleased to announce that **Michael Derk '84, Mark Jenks '78, Karen Heim Teichman '71** and **Patsy L. Warren '59** have been selected to receive our 2019 Distinguished Alumni Awards. Please join us as we recognize these accomplished graduates throughout the weekend.

A registration form is included within this newsletter or you can register online. For more information, "Like" us on Facebook at Lewisburg Area High School Alumni Weekend to receive the most up to date information or visit us at www.lahsalumni.com or www.green-dragonfoundation.org. Volunteers are always needed – please call 570-522-8433 or email us at info@greendragonfoundation.org or lhs.alumni@hotmail.com. **Shelly Sholley '86** is the Chairperson.

Looking forward to seeing you in October!

Happenings in the 9's

by Bob Brouse '58

Alumni President **Bob Brouse** loves to go through old yearbooks, and while doing so has jotted down some interesting things that happened in the grad year ending in 9, the 10 year reunion number.

1869 – 6 classmates.

1879 – 13 classmates.

1889 – 11 classmates. The Commencement exercises were held in the Music Hall on June 4th at 7:30 PM.

1899 – 19 classmates. The County superintendent was D.P. Stapleton.

The commencement music was rendered exclusively by class members. Each classmate presented an oration – some of the subjects were "Education Values" by **Edith Lutz**, "Forestry" by **Oscar Angstadt**, "The Thorny Path of Lincoln" by **Arthur F. Donehower**, and "Compulsory Education a Necessity" by **Harry E. Stein**. All students were presented with diplomas. The young ladies were also presented with medals.

Student Council also sponsored the Homecoming dance and 2 blood drives. The Lewisburg Fair provided horse-back riding as a new event. Halloween Night was held at the Campus Theatre. The fall play was “Wonderland” - **Madeleine Daepf** starred as the title character. Over 1000 tickets were sold. The Winter Choral Concert was “The Messiah”. The Key Club collected canned goods for the needy and helped with the food bank. The school paper was the *Blurb*. Football recorded 9 wins and won the first playoff game in school history. Field hockey team was 9-7-2. Girl's soccer was 18-3-1 and was the first team in school history making it past the first round in States. Boy's soccer was 20-3-2. They won the District title but lost in the state quarter finals. Girl's tennis was 10-7 and went to Districts. The boy's basketball team also went to Districts. In wrestling **Eric Hummel** reached the 100 win plateau, and won a section title as did Eric Hummel and **Curt Schneider**. **Nathaniel Brown** won the District IV and Northeast Regional titles. **Nathaniel Brown** took 3rd place in the State tournament and **Eric Hummel** placed 6th.

Veteran Receives his Diploma

Marlin E. Keister turned 18 prior to his Class of 1967 graduation and joined the Marine Corps. After his service and honorable discharge he returned home to study auto maintenance and electrical construction at what is now SUN Area Technical Institute. But he never received his diploma or attended graduation.

So at the November 8th, 2018 School Board meeting, as part of the Veteran's Day commemoration, Marlin's family, friends and other Veterans gathered to witness Marlin receive his diploma from Superintendent Dr. Steven Skalka and Kathy Swope, School Board President. Marlin has served local disabled veterans, participated in Toys for Tots, Relay for Life, and has held various positions in the VFW and Marine Corps League.

The End of an Era

by *John Huckaby '60*

After 319 dual meet victories, two state champions, 11 state place winners, four sectional team titles and a league title, veteran wrestling coach Jim Snyder has retired.

And assistant coach Dr. Michael Brown has joined him on the sidelines. The school board has approved assistant coach Justin Michaels as Snyder's replacement.

"We started our exit plan five or so years ago," Snyder said. His departure was planned to come as his son **Dakotah**, was a senior on the team.

Snyder's farewell season saw him get salutes from fellow area coaches and wrestling fans. "The first time was at Montoursville. I was kind of humbled. I didn't expect anything like that. The first one I was really caught off-guard. It gave me a sense that we did the right things. I tried to do things like people did to me. I told them (other coaches) that they could always call on me."

Snyder said, "You think you so know all the answers. I reached out to Bob Greenly (Milton), Ron Kanaskie (Danville) and Ben Hepburn (Loyalsock)."

Snyder's two state champs were **Derek Reber** in 2008 and **Nate Brown** in 2011. Reber was a four-time state place winner and is the head coach at Mifflinburg. Brown later was an NCAA runner-up for Lehigh University. Brown is the son of retiring assistant coach Mike Brown.

Snyder, who wrestled in high school at Line Mountain, also had high praise for his high school coach, Hall-of-Famer Paul Stehman, now retired. "I learned everything from him. Coach Stehman was tough. He treated everyone the same. If you were a state caliber wrestler or like me 'not very good', he treated you the same."

The newly retired coach gives much credit to his wife, Karen, a principal in the Montgomery Area School District, and his daughter **Kennedy '15**, a nursing student at Mount Aloysius College: "I couldn't have done it without my family's support. It just takes so much time. You spend more time with other people's kids than your own kids. The good thing about Kennedy was that until she reached senior high, she was in that mat room...helping the trainers, always helping. She's going to be a nurse and she was a big

part of the program. How Karen did it I don't know. She has a profession of her own. Without her support and her approval, I couldn't have done it."

Coach Snyder's thoughts on other topics:

1 – *The coming of women's wrestling*: I think it might save the sport. It will get more people involved. I'm a big believer that the state has to run a sanctioned tournament. It's a Title IX. There will be scholarship opportunities. I think it's really good.

2 – *His worse dual meet loss*: Danville, in 2005 in the finals of the District Duals. They had beaten us during the season on criteria but we thought we could reverse some things and not get pinned and we had it planned to have Reber settle the match. We never got there. I was pleased with what we did in the lower weights but not in the upper weights. By the time we got to Reber, the match was settled.

3 – *Top dual meet win*: It was in 1997 when we beat Warrior Run for the league title. Two years before we won two duals and three the following year. So winning this was special.

4 – *On the length of the season* – I think the expansion of the schedule isn't a good thing. We should cut back the number of duals. I don't think we should start until the Tuesday after Thanksgiving. This is a different kid now – this is the fast-food generation. I think we should be done the last weekend in February.

My Home Town After 50 Years by *Nancy Odell McMullen '68*

I am writing as a former student of LAHS since I went to Lewisburg High 7th through 9th grades. We moved as a result of my Dad's new job as head football coach at University of Pennsylvania, his and my Mom's alma maters, and also my older brother, Bob's and younger sister, Cindy's. Leaving Bucknell University and Lewisburg was very hard. I was the "misfit" who didn't want to live in the city of Philadelphia and decided to go to Penn State. I never regretted the move because I loved that school! Bob didn't skip a beat because he had just graduated from Lewisburg High and went on to Penn. Moving from the lovely college town of Lewisburg to the Philadelphia suburbs was certainly culture shock for both Cindy and I. At Conestoga High School the girls wore stockings and fancy shoes along with Villager outfits. I walked into school the first day in my sneakers and bobby socks. I asked my Mom where the town was because it appeared that we lived out in a field with no town in sight. She told me we were on the Mainline and that the towns were along the train track a few miles away. I thought, "What the heck?" But I soon found out and didn't like the

idea of a bunch of "towns" lined up and named that ran along a railroad track into the city. Needless to say, school and suburban living was a struggle in many ways especially socially because all of the cliques had formed at school before I arrived on the scene. However, playing sports certainly helped my adjustment, and to my amazement, I was voted Best Girl Athlete by the students with my picture appearing in the yearbook my senior year! I didn't think anyone knew who I was. Moving on to a big school (but in a town!) that offered a beautiful campus, and many types of students and courses was wonderful! I still had the small town feeling that I used to get living in Lewisburg when I walked on campus or around the cute little town of State College! This shy country girl came out of her shell thanks to being back in the town atmosphere that Lewisburg offers everyone. I come back for class reunions and realize people didn't even remember that I had moved! My class just celebrated our 50th and it was great to see the old crowd! Everyone is so friendly, engaging and fun, and I am always so happy to be "home" again in good old Lewisburg, Pa!

Updates and News from Lewisburg Grads:

From **Sara (Blouch) Bergstresser '57** – To the Class of 1957 – Many thanks for the prayers, cards and notes of support following my encounter with a car in a pedestrian crosswalk. It has been a long journey of healing. However, I am now mobile, pain free, and trudging toward 80! Yikes! You are the best! With deep appreciation for life and friends...

P. George Benson '64 is the recipient of the Albert Nelson Marquis Lifetime Achievement Award by Marquis Who's Who for his achievements in the fields of decision sciences, higher education and academic administration. Dr. Benson is a Professor of Decision Sciences at the College of Charleston in South Carolina, where he served as the college's president from 2007-2014. George received a LAHS Distinguished Alumni Award in 2014.

From **Louise Shaffer Jennings '64** – My thanks to everyone involved in the Alumni Association for all your hard work. Every time I see a familiar name or read about what has happened or is happening, it's like "taking a trip home". Look forward to attending an Alumni Weekend and seeing the new High School in the future.

From **Ann Zimmerman '67** – I'm really glad that **Jim Wetzel '58** wrote that great tribute to **Helen Keiser** in the 2018 newsletter. I know she had such a positive impact on so many girls' lives. Not only did she instill and encourage my lifelong love of sports, but she helped pave the way for future generations. My daughters and granddaughters had so many more athletic opportunities, thanks to women like Helen Keiser. I know she will be remembered fondly by many.

From **Lores Lemmerman Morton '71** – I am "retired" from the legal field and volunteer as a hospice spiritual and friendly visitor. So far, in 2018 I've enjoyed two long distance rides on my 2011 Street Glide with Joe, my spouse of 36 wonderful years.

David Page '71 coordinated over 70 local people for the Gold Star Mothers Motorcycle Ride to the Wall in Washington, DC for what may be the last Rolling Thunder parade. He is one of the key people to organize and coordinate escort and security services for the mothers and wives who have lost sons, daughters and husbands in military conflicts.

Roger Crebs '82, long-time wrestling coach at Lycoming College, was inducted into the West Branch Chapter of the Pa. Sports Hall of Fame. He also achieved his 400th career win this academic year as the Warriors swept the Lycoming Duals. Roger received a LAHS Distinguished Alumni Award in 2012.

Pamela Brennan Burns '87 became branch manager of First National Bank in Lewisburg in 2017. She is on the board of the Lewisburg Downtown Partnership and involved in both the Central PA Chamber of Commerce as well as the Green Dragon Foundation and Junior Achievement. She is a member of the Lewisburg Sunrise Rotary Club.

Sheryl Hosler '08 is married and lives near Chicago. She is currently finishing a Master's program in Biological Sciences at Northern Illinois University. In Fall 2019 she will begin work on her PhD in Ecology at University of Illinois-Chicago. Her current research on dung beetles is helping to re-establish bison in the Nachusa Grassland in Illinois. She speaks about her research, ecology, and environmental education across the country. Part of her outreach includes her YouTube channel titled The Roving Naturalist.

Derek Reber '08 was inducted into the District 4 Wrestling Hall of Fame in February. Derek was a 3-time district champion, a 3-time regional champion, and a 4-time state place winner, including a state championship at 130 pounds in 2008. He compiled a 165-10 record for the Dragons. He later wrestled at Bucknell and Penn State, and he was a national qualifier and member of 2 national championship teams.

Karyn Hosler-Tellep '11 is married and lives near Washington, DC. She teaches music for Fairfax County Public Schools where she also participates on school improvement and student support commit-

tees. In 2017 and 2018 she participated in the Armed Forces Cycling Challenge and has completed century rides (100 miles on a bicycle in one day).

Jenna Farmer '15 received Google Cloud Academic All-District honors for her academic achievements and excellence on the track and field team for Bucknell University.

Jessica Penn '15 is a recipient of a Fulbright scholarship. She will live in Taiwan and will teach English to Taiwanese middle/high school students for one year. The Fulbright program is an internationally recognized program started in 1946 in honor of US Senator Fulbright, to promote international human relations and knowledge of each other across socio-political divides. Jessica recently graduated from the University of Pittsburgh majoring in Chinese.

Dawson Aikey '18 completed his freshman year of college at Millersville University. He had a great first year experience, making several new friends in his major of technology and engineering education.

From **Sarah Reif '18** – Thank you for the generous scholarship of \$1000.00 for my further education. I am very excited to start at Case Western Reserve University in the fall and appreciate the financial support. Lewisburg has an incredible team of teachers and additional staff members that have taught and molded me to who I am today. I cannot thank the school district and Alumni Association enough for all they do to support the students. *Notes of appreciation were received from other recipients as well.*

Nicholas Jacobson '19 is one of 161 high school seniors who were named a U.S. Presidential Scholar. The White House Commission selects scholars based on their academic success, artistic and technical excellence, essays, school evaluations and transcripts as well as evidence of community service, leadership and commitment to high ideals. Nick served as the student representative on our LAHS Alumni Association Board of Directors during the 2017-2018 and the 2018-2019 school years.

It was the end of an era for wrestling coaches **Jim Snyder** and **Dr. Mike Brown** at the February 7th, 2019 meet against Mifflinburg. After 25 years with a gap year in 2001-02 they have retired from coaching the Dragon team. What a better way to end their career with former Lewisburg stand-out **Derek Reber '08** across the mat from them as the coach of the Wildcats. Mifflinburg won 36-33.

Special Thanks to:

* **Donna Kratzer Lebo '70** for her gifts to the Heritage Room in 2017, including her yearbooks, class necklace, a ring, a wooden cup and some memorabilia from her brother Dennis when he wrestled. We apologize that her contribution was missed in our last newsletter;

* **Andrew Boyer '74**, **John Rein '74** and **Karen Lepley Bowersox '78** who offered their assistance in finding lost alumni; and

* the students in the Advanced Wood Products class at SUN Area Vo-Tech School for building 3 display tables for the Heritage Room. **Bryan Seward '02** is their instructor.

2018-2019 At A Glance

by Nick Jacobson '19

As the 2018-2019 school year comes to a close, we stop for a moment to reflect on the events of the year. The year has been another distinguishing one for the students at the school. In the fall, students achieved great success in both sports and drama. The girls soccer team under captains **Sarah Ayers, Sarah Burns, Selena Permyashkin**, and **Allison Reed** advanced to the state finals and ended the season second in the state, the first time any girls team sport at Lewisburg has advanced to the state finals in any sport in recent memory. Girls golf ended the season as district champions under **Sarah Mahoney, Ryleigh Faust, Brynn Wagner** and **Ava Markunas**. Boys cross country was undefeated in the regular season and placed 4th in the state championship. Girls field hockey advanced to the state playoffs for the first time in five years.

In the dramatic world, students staged a production of Shakespeare's *A Midsummer Night's Dream* in the high school auditorium. In preparation for the musical, students sang a variety of show tunes at the Broadway Bistro fundraiser. Additionally, the high school held its annual Poetry Out Loud competition. The Homecoming theme this year was TV networks, and students came out representing MTV, the Food Network, and more. Homecoming king was **Darren Baidoo** and queen was **Sarah Burns**.

Moving into the winter, the musical cast and crew prepared for *Bye Bye Birdie* featuring seniors **Peter Marrara, Nick Jacobson** and **Abbie Carney** under the directorship of Sarah Tiede and Jon Walz. In the world of sports, boy and girls swimming got 3rd and 2nd in districts respectively. Girls basketball got third in districts and advanced to the state tournament. **Grace Kelleher** became the seventh player in Green Dragon history to achieve 1000 career points. In wrestling, senior **Dakota Snyder** and first year **Kaiden Wagner** advanced to states and Coach Jim Snyder retired after 24 years in the program. In bowling junior **Anthony Neuer** advanced to the World Championships in Paris, France and placed second in team doubles. Neuer was one of two people under 18 across the US to represent the country at the international

championships. The Student Council also organized a talent show for the school showcasing people of all grades singing, dancing and reciting poetry. In March, the Lewisburg Minithon hosted its 4th and most successful Minithon, raising over \$34,000 for the Four Diamonds Fund. Lewisburg students also donated blood in two Student Council blood drives for the Red Cross.

In the spring, the Student Theatre Collective put on a moving performance of *Nora's Lost*, a story of an older woman living with dementia wandering through her memories, under the direction of **Isee Martine** and **Samuel Darer**. Student Council hosted its second Spring Carnival featuring over a dozen clubs and activities in Lewisburg. The Minithon Club under the direction of president **Lauren Pavlechko** also hosted the 4th Mr. Lewisburg pageant, naming junior **Cole Temple** Mr. Lewisburg. Several clubs in the high school including the Forensics Club under president **Samuel Howe**, Model UN under president **Hannah Drexler '20** and FBLA under president **Josh Nicholls '20** all competed successfully at local and regional competitions. Further, the band under director Dan Schwanger hosted the regional band festival and competition. In sports, both the boys and girls lacrosse teams won district titles. Members of the track and field teams came home with medals: **Josh Gose** – 5th place - shot put, **Zach Bedell** – 6th place 300 hurdles, **Elena Malone** – 400 – 8th place, **Elijah Adams, James Koconis, Calvin Bailey** and **Peter Lantz** – 3rd place – 4x800 relay, **Chloe Michaels, Selena Permyashkin, Maggie Daly** and **Anna Batkowski** – 7th place 4x800 relay and **Elena Malone, Chloe Michaels, Maggie Daly** and **Selena Permyashkin** – 4th place – 4x400 relay. Other State qualifiers were **Jacob Hess, Kameron Schreffler, Maddy Downs, Michael Tiffin, Alex Sabo**, and **Dylan Farronato**. The boys tennis team took second in the District tournament and as a result played in the PIAA tournament.

144 students graduated on June 8th, with Dr. Steven Skalka serving as superintendent, Paula Reber as principal, and Jake Rothman as class president.

Herbert E. Stover – Former Lewisburg Superintendent, Historian, Author

It wasn't until the Alumni Association received a copy of Herbert E. Stover's book *Pennsylvania – The History of Our State* that we began to realize what an important leader Mr. Stover was to our school and schools in Pa.

Mr. Stover was born and brought up in the lumber country of Central Pennsylvania, in the mountains between Loganton and Livonia. He used this territory, particularly the upper branches of the Susquehanna River, for the setting for his full-length novels *Song of the Susquehanna*, published in 1949, and *Men in Buckskin*. His ancestors settled on disputed land along the Susquehanna in the early days of colonial history and fought in some of the old Ranger Companies before the Revolution. He learned the tales and legends of the hill country. Mr. Stover was a history teacher, lecturer at Bucknell University,

and school supervisor in Lewisburg from 1928 through 1953.

Mr. Stover's book, *Pennsylvania – The History of Our State* was published in 1945 and includes material he found valuable and interesting to his pupils and is written from their point of view. From Penn's compact with the Indians to Valley Forge, Gettysburg, and Pennsylvania's contribution to World War II, to the origin and development of Pennsylvania's great industries from farming and ship-building to steelmaking and oil refining, to Pennsylvania's transportation lines, educational and cultural institutions, government and gifts to literature and music, this text was used by students throughout Pa. in history classes.

If any alum is interested in reading his Pa. history book, please contact us by calling Bob Brouse at 570-847-3512.

We're on a Treasure Hunt

In going through the archives in the Heritage Room, Bob Brouse came across this photo. Can you help us identify these 11 women? Send your response to lhs.alumni@hotmail.com.

Thanks to the efforts of Board members **Dave Powell, Bob Brouse, Jackie Hepner Cvik, Kevin Gardner**, and **Dick Pursell**, most of the memorabilia we have collected over the years has been catalogued, including where it is located within our files or where it is located within the school. Each page of every yearbook in our collection has been photographed and will soon be available for everyone to view digitally. An announcement will be made via Constant Contact when the yearbook collection is ready to be accessed. Also wrestling fans will soon be able to view most of the post season wrestling tournament programs. You can email us at lhs.alumni@hotmail.com for more details.

Beginning this fall Tim Goff will be digitizing all the sports team films in our archives. He is asking that all films from any sport that have been borrowed over the years be returned to the high school.

We are always looking for pictures from the past, especially team pictures, group pictures of clubs and organizations, pictures of special events (May Day, Homecoming parades, Honor Society inductions, etc.), pictures of candid moments with faculty, etc. Our collection of sports and band uniforms and LAHS publications (*Draco, Dragon Hi-Lites, SPY, Tarasque*) is growing as well. If you are willing to donate an item or picture, please note any background information (the date used, names of people photographed, etc.) and send it to P.O. Box 38, Lewisburg, Pa. 17837 or call **Bob Brouse** (570-847-3512) or **Barb Baylor** (570-524-0676) to arrange for pick-up and/or delivery.
