The Easiest Way To Make An Impact

Three easy giving options include:

- Bequests
- Retirement plan assets
- Life insurance policies

Another simple flexible and versatile way to ensure we can continue our work for years to come is a gift in your will or living trust, known as a charitable bequest. By including a bequest to Rescue Ranch in your will or living trust, you are ensuring that we can continue to celebrate animals, educate children, conserve the environment and confront cruelty for years to come. Your gift also entitles your estate to an unlimited federal estate tax charitable deduction.

You can use the following assets to fund a bequest:

- Cash
- Appreciated Securities
- Real Estate
- Tangible Personal Property
- Closely Held Stock

"I love the Rescue Ranch because they are dedicated to caring for animals. When you pair that with their dedication to educating young minds about animals, I feel it's the purest work I could donate to. I love going there and seeing what my contributions do to help the animals. It fills my heart to see all the goats, ponies, tortoises and all the rest thriving. Every single person at the ranch is caring and dedicated to taking care of all the animals and are always ready to go help an animal in need. Please consider helping. If you can, I know for a fact that your donation is used for exactly what you donated for!"

RESCUE RANCH ANIMALS ALL HAVE COME FROM SITUATIONS LIKE
NEGLECT, HOARDING, OWNER SURRENDER, AND MORE.

These animals have been through so much and your generous contribution will help give them the lives they deserve, full of love and positive human interactions.

As a 501(c)(3) nonprofit, giving these courageous animals a new life with people who will protect and care for them fully depends on the support we receive from our community.
