38	Woodpecker	1601 Hidden Valley Dr

Many of the carvings are being completed with funds raised during the 2022 IFSB Barlow Challenge. The focus has been on dead Ash trees that were slated for removal due to the Emerald Ash Borer plague. Please enjoy the beauty that came out of such devastation for our community. As a reminder, carving sites sit on or near private citizens property. Show respect to the owners and land when viewing in person.

Map created by Travis Gerrish, a resident of Iowa Falls. Please email travisgerrish@gmail.com with updated carving locations or errors in the map.
