- Building community and connection
- Creating a festive atmosphere in the heart of the Roseville

The Downtown Roseville Ice Rink

Sponsorship Opportunities

Dear Community Partner,

This holiday season, the Downtown Roseville Partnership is proud to host the inaugural **Downtown Roseville Ice Rink**, *December 7, 2025 to January 4, 2026!* The rink will bring thousands of families, friends, and visitors to the heart of downtown, creating joy, memories, and community spirit.

We are inviting local businesses to join us as sponsors and be part of this exciting new tradition. Sponsorship ensures the opportunity to align your brand with a high visibility event and to build community good will throughout the holiday season.

As a valued sponsor, your business will enjoy exclusive benefits such as family tickets to the rink, banner placement on event fencing, and opportunities for on-site activation or booth space. Sponsors also receive recognition on our website, social media, newsletters, and more. Your support helps us create lasting traditions and spread holiday cheer in the heart of our community.

The event is hosted by the *Downtown Roseville Partnership*, a nonprofit property-based improvement district dedicated to promoting, marketing, and providing services that attract businesses and visitors to our downtown. Learn more at www.godowntownroseville.com.

Please review the sponsorship packages on the next page and contact **Kat Maudru** at **downtownroseville@gmail.com** to secure your sponsorship.
