You will receive a confirmation email of your application status within one week of your registration. Politically affiliated businesses or organizations will not be permitted. Only businesses with tangible physical products and certain non-profit organizations will be accepted at the discretion of the Main Street Board of Directors. Products will be juried by the Main Street Board of Directors. No political, propaganda, or advertisement booths will be permitted. SETUP

1. Upon arrival on Saturday, check in at your assigned entrance to the square between 7AM and 9AM. No vendor will be allowed to enter after 9AM to setup. Your assigned entrance and booth location will be confirmed prior to the event. Your booth must be broken down and removed by 8PM.
2. Volunteers on the Square will help you navigate to your space which will be marked. There are no guarantees to booth assignment location. Booth location assignments are dependent upon the number and type of vendors. We will TRY to accommodate any special booth requests. Please let us know upfront if your booth requires special accommodations.
3. Vendors are responsible for bringing tents (maximum 12' x 12'), tables, chairs, or anything needed for your booth. Tents must be weighted if wind conditions are present. Please decorate your booth in an appropriate manner and keeping your product, activity, or Downtown Fayetteville/Lincoln County in mind. The Main Street Board reserves the right to prohibit any written or visible materials that are deemed inappropriate.
4. Set up must be completed and ready for business by 10AM.
5. No booths will be allowed to set up on the sidewalk. With the support of City Ordinance: No. 200010, the Main Street Board has the authority to ask any unapproved vendors or groups that set up at the square to leave. Any resistance will then be handled by the City Police Department. This task is not at all enjoyable but must be done to show fair treatment to organizations who have been approved. Please remember according to this ordinance, the Main Street Board has sole authority to regulate the placement of booths on city property during this event.
6. Electricity will not be provided. You will need to furnish your own generator.
