History (Courtesy of Antrimcounty.org)

The first known settler to venture into Antrim county was Abraham C. Wadsworth, a native of Connecticut, who reached the Grand Traverse Region in 1846. A year later, he brought his wife and family, and eventually settled near the present site of the Elk Rapids Town Hall.

The unorganized county of Meguzee was created in 1840, and the name was changed to Antrim in 1843. In 1863 the Legislature organized Antrim County, attaching the unorganized counties of Kalkaska, Crawford and Ostego, at the same time the name of the town of Meguzee was changed to Elk Rapids, the county seat.

In 1879 the county seat was moved to a tract of land in the geographical center of the county. Originally the post office at this location was called Keno, but was later renamed Bellaire, because of the town's clean air. The Court House was built in 1905. The present county building was occupied in 1978.

Torch Lake was called Was-Wah-gonink, or "lake of the torches" by the local Indians, reference being made to the use of torches in the spearing of whitefish and trout.

The first birth, death, and marriage records on file in the County Clerk's office are dated 1867, the minutes of the first meeting of the Board of Supervisors are recorded on October 12, 1863, the first election was held on April 6, 1863, when a total of 66 votes were polled.

WELCOME

Christy Wilson

Executive Director, Bellaire Chamber of Commerce

I'm Christy Wilson, and I'm so proud to be the Executive Director of the Bellaire Chamber of Commerce. Bellaire has my heart — it's where I live, work, and play, and I absolutely love this little gem of a town.

I've been a small business owner here, an active chamber member, and part of the Chamber Board since 2017. I've seen firsthand how special this community is and how important it is to support the people and businesses that make Bellaire shine. I know what it's like to run a business in a small town, and I care deeply about helping our local businesses succeed.

Now, in this new role, I get to pour that passion into promoting Bellaire as the amazing destination it is. Whether it's welcoming visitors, supporting our shops and restaurants, or planning events that bring us all together, I'm here for it — and for you.

Bellaire is a special place, full of charm, creativity, and community spirit. I'm excited to help tell that story and keep building on what makes this town such a treasure.

BOARD OF DIRECTORS

Patrick Boyd ·
President

Patrick Boyd wears a lot of hats in Bellaire — president of the Chamber of Commerce, small business owner of Paddles & Pedals and Outdoor

Adventures, city council member, village zoning committee and Glacial Hills committee. When he's not helping shape the community, you can usually find him on two wheels, chasing new mountain biking trails and fresh adventures.

Jessica Berends ·
Secretary

Jessica Berends serves as Secretary of the Bellaire Chamber of Commerce and co-owns the Fireside Lounge. She also leads some of the

community's favorite events as chairperson of both the Chamber Awards Gala and the Kentucky Derby Jamboree.

Whether she's planning the next big event, hiking local trails with her dog Panda, or enjoying a sunny day on the boat, Jessica brings energy, fun, and community spirit wherever she goes.

Stephanie Holbel ·
Vice President

Stephanie Holbel is a busy Bellaire realtor who brings the same energy to her clients as she does to her role as Vice President of the Bellaire

Chamber of Commerce and member of the Chamber's Gala Committee. When she's not helping people find their dream homes, she's in the stands cheering on her kids at basketball games or boating the beautiful waters of Torch and Lake Bellaire.

Christine McCool ·
Treasurer

Christine McCool is the Treasurer of the Bellaire Chamber of Commerce and owner of DeWitt Marina, The Clam Shack, and Good

Fellows. A strong supporter of Chamber activities — especially Business After Hours — Christine is passionate about building connections and supporting Bellaire's business community.

Tressia Mooney is the Chamber's Assistant Events Coordinator and the owner of Northern Lights Vacations and Escape Bellaire.

Known for her "get it done" attitude, Tressia is deeply involved in every Chamber event and loves golf, boating, and pickleball.

Bradley Keiser ·
Board Member

also serves as the football coach for Bellaire Schools, bringing teamwork and drive both on and off the field.

Chris Bueby ·
Board Member

Chris Bueby is an insurance producer at Fischer Insurance who brings a friendly, approachable energy to the Chamber. When he's

not helping clients, you'll likely find Chris hanging with his family or on the golf course enjoying his favorite pastime.

Jenn Wright ·
Board Member

Jenn Wright is the Executive Director at Grass River Natural Area and brings a wealth of nonprofit experience to the Chamber's board. An

outdoor enthusiast through and through, Jenn also volunteers at the Chamber's golf outing.

Kenny Anderson ·

enthusiast, Kenny is a great new addition to Bellaire and an active volunteer in the community.

STAFF

Courtney Bittner ·
Events Coordinator

The Bellaire Chamber of Commerce is excited to welcome Courtney Bittner as our new Events Coordinator! A lifelong member of the Bellaire commu-

nity, Courtney brings a deep appreciation for the area and extensive experience organizing craft fairs and local events. She'll be working alongside Christy to plan and coordinate the many Chamber events that make Bellaire such a vibrant place to live and visit. We're thrilled to have Courtney join our small but mighty team!

Jamie Creason ·
Social Media Specialist

Jamie Creason is the voice behind Destination Bellaire's social media, sharing the stories, events, and beauty of Bellaire with the community

and visitors alike. As the owner of Applesauce Inn, a charming bed-and-breakfast known for its warm hospitality and cozy atmosphere, Jamie brings her passion for local culture and small-town charm to everything she does. In 2025, she was honored with The Community Influencer Award at the Chamber Awards, recognizing her outstanding dedication to promoting Bellaire and fostering community pride. Her love for Bellaire and its surrounding areas shines through in every post, inviting others to experience the vibrant community she calls home.

Lauryn Keiser ·

Keiser Automotive: Local Heart, Trusted Hands

In the heart of Bellaire, where small-town values still thrive and neighbors look out for one another, you'll find Keiser Automotive — a shop that's more than just a place to get your oil changed.

At Keiser Automotive, it's about relationships as much as repairs. Whether you're a longtime local or a visitor needing a quick fix before heading out on the next northern Michigan adventure, the Keiser team treats you like family. They're known for their honesty, fair pricing, and a commitment to doing things right the first time — something that's earned them deep trust in the community over the years.

But what really sets Keiser apart is how they show up outside the garage. They're the kind of business that quietly sponsors the local school teams, shows up for town fundraisers, and supports Bellaire's events behind the scenes. From donating to community causes to helping neighbors in a pinch, Keiser Automotive keeps our town rolling — literally and figuratively.

In a village that prides itself on connection and kindness, Keiser Automotive is a shining example of how local businesses are the heartbeat of Bellaire.
